

MISSIONAL COMMUNITY DISCUSSION: THIS IS NOT A FISHING STORY

BRICK CITY CHURCH

This is not just another fishing story! It's about what happens when our "rights" run off the rails, and how Jesus would have us hold our rights in a totally different way.

SCRIPTURE OPTION: Read Matthew 17:24-27 together.

DISCUSSION QUESTIONS:

1. Do you have any ridiculous fishing stories?
2. How do we know when to push for rights to be recognized and when to surrender our rights? Where is the line?
3. How do you think churches get caught up in ensuring their rights rather than upholding their duty in their communities?
4. Following Jesus means occasionally laying down your rights for the flourishing of others. What might that look like in your everyday life?

MAY THE LORD BLESS YOU REAL GOOD.
